

(5) Channel Crossover Cable Protector

(5) Channel Crossover Cable Protector, Medium Duty, Black Base, Blue Lid

Part Number

PRC-5

Markets

Industrial

Entertainment

Military

Number of Channels

5

Features & Benefits

- Protects cables and hoses from damage when run across roads, parking lots, sidewalks and pathways, providing safe crossing for pedestrian and vehicle traffic.
- Heavy-duty, nonconductive polyurethane construction provides safe crossing for pedestrians and vehicles while protecting electrical cables and hose lines
- Rugged industry standard connectors with exclusive "slip notch" friction release design provides easy mating and un-mating
- Mates with major [cable ramp](#) brands and products
- 5-channel design can accommodate up to 1.25 inch diameter cables and hoses
- 1.625 inch wide center channel allows for up to #2 AWG 5-wire banded sets
- Exclusive tread design provides excellent traction
- Hinged lid provides easy access for insertion and removal of cables and hoses
- Made from UV stabilized material for prolonged use in direct sunlight
- High-visibility blue lid and black base
- Company name or logo can be molded into lid for easy identification

Markets Served

Commercial, Industrial, Military and Entertainment
